In the Matter of:

Amendment of the Commission's  
Rules and to Permit Private  
Carrier Paging Licensees to  
Provide Services to Individuals

PR Docket 93-38

TO: The Commission

REPLY COMMENTS OF  
AMERICAN PAGING, INC.

American Paging, Inc. ("API"), by its attorneys, submits its reply comments in response to the Commission's Notice of Proposed Rulemaking ("Notice") in the above-captioned proceeding.

We agree with PacTel Paging that the proposed rule changes should permit all PCP licensees to use their assigned frequencies to serve individuals. Based upon our review in the Commission's Notice, this overall result was clearly intended and, based upon the record here, is fully justified. To avoid any possible doubt on the point raised by PacTel, the Commission should make clear that all frequencies made available for PCP licensees, whether they

are in Pool 1 or Pool 2, are permitted to be used for one-way  
paging communications to individuals.

Respectfully submitted.
